## PROFILE

---

Undergraduate Statistics student at Universitas Airlangga with a strong interest in machine learning, data analysis, and data science. Experienced in participating in Bangkit Academy's Machine Learning path, focusing on developing machine learning models based on data. Comfortable working collaboratively in teams and possessing strong communication skills. Committed to developing skills and a career in the data field through continuous learning and practical experience.

## EDUCATION

---

**Bachelor of Statistics, Universitas Airlangga** 2022 - Present  
Relevant Courses: Introduction to Databases, Machine Learning, Neural Networks, Longitudinal Data Analysis, Categorical Data Analysis, Time Series Analysis.

## INTERNSHIP EXPERIENCE

---

**Staff Intern, Dinas Perumahan Rakyat dan Kawasan Permukiman serta Pertanahan Kota Surabaya** June 2024 – July 2024  
• Responsible for recording practitioner honorariums and calculating, recording, and reporting PPh 21 tax deductions in accordance with applicable tax regulations.
